How did you learn of this program of study? _____

Are you currently a James Scholar? **Yes/No** Would you like to continue to be a James Scholar? **Yes/No**

- If you are a James Scholar and would like to continue please visit <http://advising.ahs.illinois.edu/JamesScholar/>. Note: To participate in the Applied Health Sciences James Scholar program you must first attend an informational meeting.

Grades in major or recommended courses may be considered in the application process for some majors. Please list any major related courses and grades received, including in-progress courses.

Do you have any work experience (or volunteer experiences) in relationship to the major?

If you are applying to Community Health, Kinesiology, Recreation, Sport & Tourism or Speech & Hearing Science, please attach a resume and a typewritten statement (one page maximum) describing your background and career goals as they relate to your curriculum choice in this department. You may include any curricular, co-curricular, or work experiences that have influenced your educational and career plans.

If you are applying to Interdisciplinary Health Sciences, please submit a resume along with a statement describing your background and career goals as they relate to your curriculum choice in this department (one page maximum). Please address your interest in interdisciplinary studies and your understanding of the complexity of health from more than one perspective. You may include any curricular, co-curricular, or work experiences that have influenced your educational and career plans.

Application Checklist:

- ✓ Recommended GPA requirement
 - Community Health – 2.8
 - Kinesiology – 3.0
 - Recreation, Sport & Tourism – 2.5
